

PROJECT STATUS REPORT

PROJECT SUMMARY

Report date
Date: 3/9/2025

Team Name:
Project: Streamify

Prepared for: Sprint 2

STATUS SUMMARY/COMPLETED ACTIVITIES

Over the past week, we have seen several key developments. The team implemented a new feature allowing users to create and manage virtual events, enhancing the platform's core functionality. Additionally, improvements were made to the user interface, resulting in a more intuitive and visually appealing experience. Bug fixes were also addressed, improving overall system stability and performance.
